What an exciting time for the students and staff of Choctawhatchee High School. For the second year in a row we are proud to be an A+ school. The class of 2006 earned 5.7 million dollars worth of scholarships, the most in the history of the school. Our students are benefiting academically from our International Baccalaureate Program, the Advanced Placement Program, The Aviation Institute, the Engineering Program, the AVID Program and many extra-curricular activities that are available for them. We have a state championship band and national championship cheerleaders. Many students both male and female participate in the seventeen different athletic programs that we offer. These accomplishments reflect the outstanding tradition of Choctawhatchee High, in both the academic arena and sports fields.

As we look to the future and plan for upcoming generations of students, we must examine our needs and find ways to keep our programs and campus fresh and appealing for all who will come here. Our facility is old and it needs a facelift; our school board members have made it a priority to pay for and oversee the renovation of the widely used auditorium and all of the bathrooms in our school. We appreciate their efforts.

Another area of concern for us is the stadium. For the first time in school history, Joe Etheredge Stadium is truly the home of the Big Green Indians! This has generated momentum for the school and for a facelift to the stadium. We would like your help to continue the momentum and give our students and community beautiful facilities that everyone deserves.

Our plans include a new entry with ticket booths, a new fence around the stadium, two new concessions stands with new restrooms, a renovated press box and new reserved seating with backs on the seats.

We need your help! Our goal is to raise \$700,000.00 by December 1, 2006 and to complete the project by August 1, 2007. Tradition is strong and we have the proudest alumni in the country. As a valued member of the Choctaw Community or a former Big Green Indian you can be instrumental in creating this legacy for our students.

We are asking our patrons, alumni, parents, community members and all other stakeholders to join us in this endeavor. Honorariums can be made for current or former students and faculty, memorials can be offered and donations of any size will be gratefully accepted. Several events will be held to help us raise these funds, and we will keep you apprised of all activities.

We look forward to a beautiful, welcoming campus and stadium for all who come to Choctawhatchee High School. We thank you in advance for your support!

The image shows three handwritten signatures in cursive script. From left to right, they appear to be: 'Vance Jones', 'Bob Moore', and 'Cindy Massarelli'. The signatures are written in dark ink on a light-colored background.
